Sir,

The Principal, Government College, Mangalore incurred in March 1928.an expenditure of Rs.690(Six hundred and ninety)only vide details in the margin on the purchase of Europe Stores required for the laboratories of the College and thus exceeded his powers of sanction under rule 11 of rules for the purchase of stores required for the public service in Appendix 15 of the Madras Financial and Account Code Volume II. On being called upon to explain the irregularity, the Principal reports that stores under item (1) in the margin were purchased from the Laboratory supplies Co, Madras as the stores were not available with the Government Medical

Medical Stores Depot, Madras and that an indent for stores for item (2) in the margin were placed direct with Messrs.Bausch and Lomb. London who transferred to the order for compliance to their local agents Messrs L.M. Alliston & Co, Calcutta. He further states that while in the former case the omission to obtain higher sanction was due to oversight that in the latter case was the result of a mistaken impression that the purchase was made direct from foreign supplies. He has expressed regret for the omission to obtain higher sanction in the two instances referred to above and requests that the expenditure may now be regularised as a special case. I may add that the Principal has, furthermore, given an undertaking to see that similar irregularities do not recur in future and that the rules regarding purchase of Europe stores required for public service will be strictly observed by him in future.

In the circumstances stated above. I have the honour to recommend that Government will be pleased to regularise the action of the Principal in having incurred an expenditure of Rs.690/- on the local purchase of stores required for the college.

As the items are held under objection by the Accountant General, I request the favour of early orders on this communication.

I have the honour to be,

S i r,

Your most obedient servant,

M. Brandeth
